IRIDIUM 9505a

Satellite Phone

Complete
Coverage
Of Even The
Most Remote
Points On
Earth

Only Iridium offers complete coverage of even the most remote points on Earth - oceans, land masses, airways, and even Polar Regions - and a comprehensive range of portable and fixed wireless products. The 9505A Satellite Phone is a great option for people who travel or work in remote areas. Small, lightweight and resistant to water, dust and shock, this phone is ideal for industrial and rugged conditions.

FEATURES
